Purpose: The data that is listed below will be gathered in order to manage positions offered by Fagor Industrial, S.Coop and the different companies it owns. In the event that we do not obtain your consent, or it is withdrawn in the future, you will not be able to participate in the selection processes for positions available.

Legitimation: Personal data will be processed with your consent, and processing carried out will be based on this.

Recipients: Your personal data will not be transferred to third parties that are not connected to the responsible party. Likewise, international data transfers will not be carried out to third parties outside the European Union.

Third parties that, within the framework of service provision to Fagor, could have access to personal data, have signed the corresponding service provision contracts and guarantee fulfilment of data protection regulations.

Data categories: We gather the following identifying personal data:

Name and surname

Address

Curriculum Vitae

Email and contact telephone..

The data gathered is necessary for proper management of commercial activities.

Conservation period: Data will be conserved while the selection process that you have applied for remains open or for a maximum period of one year, and as long as you do not withdraw your consent.

Fagor will request that the data subject updates his/her data every 12 months. If, after this communication, you do not proceed by updating your information, Fagor will remove your data, without prejudice to its conservation for the attention of legal, administrative and tax claims, for the periods stated in the applicable legislation.

Rights: Notwithstanding the foregoing, you have the right to request access to personal data from Fagor, its rectification or deletion, or the limitation of its processing, or oppose this, as well as the right to data portability. Likewise, you have the right to withdraw consent at any time. You can exercise the abovementioned rights by contacting us via email info@fagorindustrial.com, indicating your name and surnames, attaching a copy of your NID or passport and specifying the right you wish to exercise.

If you believe that Fagor is in breach of regulations, you have the right to file a complaint before the competent authority.

Security measures: Fagor adopts the necessary technical and organisational measures to avoid the loss, misuse, alteration, unauthorised access and theft of personal data provided, taking into account the state of the technology,

the application costs, nature, scope, context and purpose of processing, as well as the risks of varying likelihood and severity to your rights and freedoms.

In any case, the security measures applied by Fagor guarantee and include:

- the ability to ensure continuous confidentiality, integrity, availability and resilience of processing systems and services;
- the ability to restore the availability and access to personal data in a timely manner in the event of a physical or technical incident;
- a process to regularly test, assess and evaluate the effectiveness of technical and organisational measures to ensure the security of processing.
